

BISTA experts participate in SEEPAD General Assembly

Wednesday, 04 April 2007

R. William Phelps (CARANA Corporation) and Gert Karreman, internationally recognized experts in accountancy reform, will participate in the SEEPAD General Assembly on 28-29 April 2007, at the Hotel Leo Grand Convention Centre in Chisinau, Moldova.

SEEPAD , the South Eastern European Partnership on Accountancy Development, is a regional accountancy reform initiative comprised of the principal accounting and auditing associations in South Eastern Europe (SEE). The goal of SEEPAD is to promote accountancy reform in SEE and raise the level of accountancy to internationally recognized standards of practice.
