

BISTA Accounting and Financial Systems Specialist

Monday, 10 March 2008

Gabriella Kusz joins the BISTA project team as an Accounting and Financial Systems Specialist. Previously, Ms. Kusz worked as a Financial Management Consultant for the World Bank, where she assisted with the Accounting and Auditing Reports on the Observance of Standards and Codes (A&A ROSCs) and accounting and auditing research for the Financial Management Unit for the Europe and Central Asia Region. Ms. Kusz will be lending her extensive knowledge of accounting and auditing research, survey development, and data analytics to the project.

Ms. Gabriella Kusz can be reached at gkusz@carana.com .
